Call Log

The Call Log feature allows users to scroll through a list of both incoming and outgoing phone calls. Users can select a number from the Call Log and redial it.

1) Press the pre-programmed "Call Log" button.
2) Press [1] for Received Calls, [2] for Dialed Calls, or [3] for Lost Calls.
3) Press the Up or Down on the Navigation Wheel to go scroll threw the list.
4) Press OK to dial the number.

                -Or-

5) Hangup.
